

IRONMEN CHEER ATTENDANCE POLICY

Attendance is essential to the success of each season. Attendance will be taken at the beginning at each practice, game or event. Each Cheerleader's 100% commitment is required as each position on the squad is dependent of the other. When one Cheerleader is absent, it places hardship on the entire squad and can become a safety issue. It is for these reasons the Cheerleader and the parents must be advised of the importance of compliance to the attendance policy.

Attendance is mandatory at every practice and every game. Each cheerleader is expected to be a there on time and remain throughout the entire practice, and from the time designated by the coach pre-game throughout the entire game.

We understand things may come up throughout the season. For that reason, each cheerleader is **allowed three (3) unexcused absences**. Excused absences are: medical, school functions, family emergencies.

We do not expect any issues with attendance. However, if a cheerleader exceeds three unexcused absences, the consequences are as follows:

After the 4th unexcused absence — the cheerleader will be removed from her position in the halftime routine and be placed as a "free spot" for the remainder of the season.

After the 5th unexcused absence a conference will be held with the parent(s)/guardian of the cheerleader and the Coordinators of the cheer program to discuss resolution.
